TECHNICAL PROJECTS

Kitch | Lead Developer

May '24

<https://kitch.onrender.com/>

- **Tech-stack:** HTML, CSS, Javascript, React Router, Bootstrap, Prisma, API, Morgan, JWT
- **Responsibilities:**
 - Imported data from an API to populate information on a recipe generator website.
 - Managed a four-person group, including daily agendas, standups, code reviews, ticket tracking, and updating the project board.
 - Designed website layout.

Kitch - Mobile App | Independent Developer

Jan '25 - In Progress

<https://github.com/Kelsey-2024/Kitch-Mobile-App>

- **Tech-stack:** HTML, CSS, Python, SQL, API, Figma
- **Responsibilities:**
 - Imported data from an API to populate and consolidate information into a recipe generator app.
 - Worked independently to re-design website concepts into a mobile app using Figma.
 - Implemented state management with Redux to handle complex application states efficiently.

WORK EXPERIENCE

Account Executive | Couranto | Montvale, NJ

Jan '21 - Dec '23

- Served as the primary point of contact for clients, building and maintaining long-term relationships.
- Oversaw customer account management, including negotiating contracts and agreements.
- Collaborated with internal teams to enhance the overall customer experience and resolve client issues.

Hostess | The Hunt & Fish Club | New York, NY

Jan '17 - Dec '19

- Managed reservations and the seating chart to optimize table turnover and maintain smooth service flow.
- Addressed guest inquiries, special requests, and coat check services with attentiveness and courtesy.
- Coordinated with waitstaff and kitchen staff to ensure timely and efficient service, enhancing overall guest satisfaction.

Teacher's Assistant | The Children's Learning Center | Jersey City, NJ

Sept '16 - July '18

- Assisted lead teachers in delivering educational content, organizing activities, and maintaining a conducive learning environment.
- Managed student behavior, ensuring a safe and respectful classroom atmosphere by enforcing rules and guidelines.
- Prepared teaching materials, organized resources, and maintained student records.
